

Medina Park Playground Signature Community Bench Tile Order Form

Thanks to all the Medina citizens who have shown interest in this wonderful playground project and who would like to contribute more by personalizing the new play area with tile benches. This part of the project will make our play area unique to our community and will be a lasting feature we can all be proud of. The number of benches installed will depend on the number of tiles you all have purchased. The benches will have two functions: provide seating at the play area in a unique way and provide a more solid border between the play area and the rest of the park, including the dog area. Honor your family, a child, a school, or anyone else by purchasing a custom engraved 9"x9" concrete tile for a bench! ***Final dates for this project will be determined in the Spring of 2006, we will post information in the Medina newsletter and contact those who have already purchased tiles.***

There are two types of tiles: ***Check the box below for which one you would like to order. You may order as many as you like. Fill out one form for each tile.***

\$60.00 per tile: Text Only. You are provided up to three lines of text with a maximum of 12 characters per line.

\$120.00 per tile: Create your own custom tile by providing a drawing, kid's handprint, a special logo, etc.... and it will be sandblasted onto a 9"x9" tile.

To see examples of each style, please look at the sample poster on display at City Hall.
